Subject: Notice of File Closure, Dolomite Stone #1 Mine, S0530050, Washington County, Utah

Dear Mr. Laub:

The dolomite Stone #1 Mine, file number S0530050, located in Washington County, Utah, will now be closed and the file retired.

On April 9, 2008, a site inspection was performed and it was determined that the site has been satisfactorily reclaimed and can be fully released. We have received concurrence from the BLM on February 23, 2009 that they have closed their file as well. The Division did not hold a reclamation surety for this site.

You are hereby released by the Division from further reclamation responsibilities at this site. If you wish to conduct any future mining or exploration related activity in this area, you will need to submit a new Notice to the Division and other appropriate agency(ies), and provide reclamation surety prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5261 or Lynn Kunzler at (801) 538-5310. Thank you for your time and consideration in completing the required reclamation on this project.

Sincerely,

Paul B. Baker  
Minerals Program Manager
